## Exhibitor Manual

**10 - 12 March 2019**

**China Import and Export Fair Complex  
Guangzhou, China**

**Important Information enclosed  
Please return forms by the deadlines stated**

Dear Exhibitor,

**Welcome to asiamold 2019!**

This manual is designed to give you maximum information regarding your participation in asiamold 2019 taking place in China Import and Export Fair Complex from 10-12 March 2019. It contains all the forms you need to order the various related services you may require.

We kindly ask you to return the order forms before the deadlines (please refer to Page 4) in order to enable us to fulfill your requirements. All forms should be filled clearly in block capitals.

**Please Note**

Orders for additional equipment received after the specified deadline will be subject to a surcharge of 20%. On site orders will be subject to a surcharge of 30% and services will be provided upon availability and on a cash basis only.

Should you have any further questions, please feel free to contact us.

Guangzhou Guangya Messe Frankfurt Co., Ltd  
Unit A2001, Center Plaza

#### Please note:

Should raw space exhibitors want to work beyond the official hours as shown above, they should notify Guangzhou Zhuangzhan Exhibition Service Co., Ltd. before 3pm on that day in writing. An overtime charge RMB18/sqm/3 hour will be charged (min. charge is 100sqm/3hour). If overtime request is received after 3pm on that day, 20% surcharge will be charged.

We strongly recommend that all exhibitors arrive at their booths half an hour before the fair opens for security reasons.

## Exhibition Rules & Regulations

---

### 1. Governing law

Exhibitors are required to observe and comply with all the laws of PR China.

### 2. Visa application

- 1) All foreign visitors to PR China **must** apply for visa and comply with the health requirement on entering into China. Please ensure that all your colleagues have already obtained the relevant visa prior to departure.
- 2) The organiser will provide assistance but is not responsible for obtaining visa for exhibitors.
- 3) Unsuccessful visa applications will not constitute a basis for cancellation of exhibitor contract.

### 3. Promotional materials censorship

All promotional materials (including presentation materials and samples), such as printed matters, films, video-cassettes, slides to be shown to the visitors during the exhibition must be pre-censored by the Chinese authorities. And the quantity of films, video-cassettes, slides is highly strict with. Exhibitors may appoint the Official Forwarding Agent to arrange the procedures on their behalf.

### 4. Selling of exhibits

All the shipments will be Customs cleared on **temporary basis** only for showing in the exhibition and exhibitors are **not allowed to on-spot sell or give away exhibits** subject to Chinese Customs Regulations. Exhibits should be sold under signing a general contract with the buyer. Before collecting the exhibits, the buyer should finalize Customs formalities and pay the duty / tax as well. If necessary, the Official Forwarding Agent may give assistance to the buyer for processing the Customs formalities, or provide information to exhibitors.

### 5. Customs clearance

Exhibition hall is regarded as Bonded Area. All goods inside the exhibition halls are tax exempted for temporary import during the exhibition. No goods are allowed to be taken out of the halls without prior approval of the Customs. Exhibitors are requested to:

- 1) Inform the Official Forwarding Agent for customs clearance of exhibits by completing and returning the "Combined Commercial Invoice and Packing List" enclosed with the Freight. Forwarder Manual to be supplied by the Official Forwarding Agent.
- 2) Giveaway & souvenir items are permitted but are subject to import duty. Exhibitors should submit the Packing list with quantity and prices to customs office via the Official Forwarding Agent before giving the souvenir away.
- 3) Exhibitors are strongly advised not to hand-carry goods for this exhibition as it could be detained by the Guangzhou Customs at the airport / railway terminal. The process of transferring the exhibits from the airport / railway terminal to the exhibition required complicated documentation, and additional handling fee.

## Exhibition Rules & Regulations

---

### 6. General rules

- 1) All exhibitors must abide by the site regulations.
- 2) No person under 18 years of age will be permitted to enter the hall. Please remind your buyers not to bring children or anybody under 18 years of age.
- 3) During fair dates, exhibitors are allowed to enter the exhibition hall half an hour before show opens, and must leave the exhibition hall on time by 5:00 pm on 10-12 March 2019. Electricity will be disconnected at this time. If 24 hours electricity supply at the booth is required, please contact the Organiser.
- 4) Without the written permission from the organiser, exhibitor is not allowed to relet their stand to other party.

### 7. Fire & safety regulations

- 1) Smoking is prohibited in the exhibition hall.
- 2) No fire is allowed in the exhibition hall.
- 3) Any flammable and explosive materials being brought into the exhibition hall should be applied to and approved by the Fire Protection Department beforehand.
- 4) The organiser may, upon instruction from the related authority, issue other guidelines.

### 8. Insurance

The organiser is responsible for the general security of the entire venue but will not undertake any financial or legal responsibility for any type of risk concerning or affecting the exhibitors, their personal belongings and exhibits. Exhibitors are therefore responsible for effecting all necessary insurance which should include (but not limited to) their displays, exhibits, stand fittings and fixtures, and other third parties against loss or damage by theft, fire, public (including occupier's liability) and other natural causes.

### 9. Photographing, video shooting and sound recording

No photographing, video shooting or sound recording is allowed outside your booth in the exhibition hall except those who get the official confirmation from the organiser.

### 10. Delivery of exhibits

The organiser will not accept or sign for any goods, exhibits or other materials on behalf of any exhibitor. Exhibitors should make sure that a representative from their companies will be at the stand to receive the goods.

### 11. Removal of exhibits

Removal of exhibits may commence only **after 4:00 pm on 12 March 2019**. Exhibitor should comply with the working time table as stipulated. No early move-out will be permitted if application is not submitted to the organiser before 12 March, 2019. The organiser is not liable for any loss or damage to the exhibits or booth materials left behind at the exhibition venue. All such materials shall be deemed abandoned and shall be disposed of at the expense of the exhibitor concerned.

## Exhibition Rules & Regulations

---

### 12. Booth decoration

- 1) All decorative items must be placed inside the booth.  
)
- 2) Any TV screen / computer monitor facing the public aisle that could potentially cause crowding in the public areas is required to set back 1 metre inside their booths.

### 13. Electricity supply

For safety reasons, all electrical installation work connecting to the main electric network at the exhibition venue must be carried out solely by the Contractor that the Organiser appointed. Exhibitors may order lighting and electrical items according to the order forms in this manual.

### 14. Sound control

During the exhibition, the exhibitor should control the booth artificial sound below 75db. Exhibitors should comply with the rules and regulations as set by the Organisers related to onsite noise control (please refer to Form 16 for more details).

Exhibitors who are going to have onsite performance at their booth must notify the Organisers by 25 Jan 2019 to obtain prior approval from the Organisers and agree to play according to the schedule as approved or assigned by the Organisers. Any unauthorized performance will not be permitted. The Organisers reserve the right to impose a fine of **RMB 5,000** for any unauthorized performance by exhibitors. Uncooperative exhibitors may be banned from having performance at their booth in asiamold in future.

### 15. Authority of premises

In the event of any problems or disputes on-site, the decision of the Organiser, being leaseholder of the premises, will be final. The Organiser also reserves the right to amend any earlier decision made in order to meet and satisfy any unforeseen or prevailing circumstance for the benefit of the Exhibition and concerned parties.

### 16. Intellectual property rights / copyright

The exhibitor warrants that the exhibits and packages thereof and the related publicity materials do not in any way whatsoever violate or infringe any third party's rights including trade marks, copyrights, designs, names and patents whether registered or otherwise, and agree to fully indemnify the organiser and its agents and contractors against all costs, expenses and damages arising from any third party's claim of infringement by an exhibitor and / or the Organiser of such third party rights.

The Organiser has the right to require exhibitors to remove exhibits which are suspected to be violating intellectual property rights or copyright. The Organiser has the right to refuse participation of any exhibitors found guilty of infringement of intellectual property rights at any future trade fairs.

### 17. Political issue

All exhibitors, especially Taiwanese companies, please note that no sensitive political wordings should appear in all the advertising or promotional materials as well as name cards. This issue is very sensitive in the mainland China. Police will check on site and any materials containing these wordings are not allowed for distribution or will even be confiscated.

### 18. Unforeseen circumstances

In the event of any occurrence not foreseen in these "Rules and Regulations" and the terms stated in the contract, the decision of the Organiser shall be final.

## General Information about China

---

We would like to provide you with some general information, which might be useful to you.

### Weather

In March: mostly sunny and wet, around 15°C to 25°C during daytime, chances of rain.

### Money exchange

It is possible to change money in the hotels at the daily exchange rate.

Cash withdrawal by credit card is possible at the Bank of China.

### Airport tax

Travelers are required to pay an airport tax when leaving China for overseas( please check the exact tax from your flight ; and to pay an airport tax of RMB 50.00 when leaving Guangzhou for other provinces within the mainland.

### Electricity

The voltage in China is 220 Volt / 50 Hertz.

The Chinese sockets in the exhibition halls look like this:

5 Amp / 220 Volt

### Communication

**Interpreter and business cards – An interpreter is strongly recommended** because not many Chinese business partners speak English. Furthermore, business cards are very important means of communication. They should be translated into Chinese. It is very important for business associates to exchange business cards. Cards are always offered and received with both hands after the initial greeting.

**Some communication habits** – Address Chinese officials as Mister, Miss or Madam – Chinese women do not use their husband's surname and therefore should not be addressed as Mrs. The Chinese surname comes first and the given names last, e.g. Mr Wang Zhongming should be addressed as Mr Wang.

The following is the standard booth design and the configuration, 3m x 3m = 9sqm  
(The Organiser reserves the right to change the configuration if necessary)

## Important Notes for Standard Booth Exhibitors

---

1. Please refer to page 14 for the basic equipment & booth design of the standard furnished booth. All package booths shall be designed and built by the Contractor that Organiser appointed.
2. All furnished booths are on rental basis.
3. Exhibitors are not allowed to make any alterations to the structure of the booths or remove any integral parts from the booths. Exhibitors wish to remove or change the location of any standard equipment (e.g. long-arm spot light) within the booths should indicate clearly on the booth design plan on page 14 and forward it together with clear instructions to the official contractor **before 25 Jan 2019**. Notification of booth equipment alteration / removal received after the deadline will not be considered.
4. No additional booth-fitting or display may be attached to the shell booth structure.
5. No free standing booth-fitting or display may exceed a height of 2.5 metres (the height for the standard booth) or extend beyond the boundaries of the site allocated. This includes company names, advertising materials and logos provided by the exhibitor.
6. No tape, nail or fixture of any kind is allowed to be affixed to the partitions, floor or ceiling. Exhibitors are liable to any damage caused to their booth fixtures or fittings at the fair.
7. An exhibitor occupying a booth at the corner has the choice to open it on the additional side(s) with a fascia including name and booth number. Unless informed otherwise by the exhibitor in writing **before 25 Jan 2019**, the Organiser will assume that exhibitors occupying corner booths would like to open on the additional side(s).
8. Unless requested otherwise by the exhibitor, the Organiser shall assume that exhibitors occupying two or more adjoining standard booths will choose to take out the partitioning panels in between. Exhibitors should notify the official contractor **in writing** before **25 Jan 2019** if they want to retain the partitioning panels.
9. No decoration logo or any other alteration are allowed on the fascial.
10. Standard booth exhibitors requiring additional equipment such as telephone, furniture, power supply, etc should use **Forms 02, Form 03 or Form 10** for placing their orders. The order forms must be submitted latest by 25 Jan 2019 to the official contractor. Payment should be made according to the contractor that organiser appointed.
11. If no representative has ever shown up at the booth until 12:00 noon on 10 March 2019, the organiser has the right to use the booth for any purpose without the exhibitor's permission and refund.

**Additional Booth Equipment – Conditions**

The condition for rental of furniture and electrical installation are:

1. All items ordered are on rental basis and exhibitors will therefore have to make good of any damages or losses.
2. Exhibitors with very sensitive equipment are advised to bring their own stabilizer to cater for voltage fluctuation.
3. Exhibitors have to bring their own special regulating units if they require very specific water temperature or water pressure.
4. Any complaint regarding rental furniture / installation must be lodged the day before the exhibition commences. Otherwise all items are deemed that be received in good order.
5. Exhibitors are required to mark on the location plan position of their electrical requirements. The official contractor will install at our discretion according to standard booth layout if they do not receive any instruction before move in. Requests for repositioning will be subject to relocation charge.

## Important Notes for Raw Space Exhibitors

---

Raw space exhibitors will be provided with floor space only. Exhibitors have to design and construct their own booths and comply with the Rules and Regulations of the venue as well as any conditions, which the Organiser may specify before, or during the Exhibition.

### Contractor

Raw space exhibitors may appoint any competent stand contractor to design and construct their booths. Details such as name and address of their appointed contractor must be provided by filling in Form 5 and submitting to Guangzhou Zhuangzhan Exhibition Service Co., Ltd. not later than **25 Jan 2019** for approval. The Organiser reserves the right to withhold granting approval to any contractor appointed by the exhibitor concerned without giving any reason.

Exhibitor is required to submit to the organiser the hall management fee before booth construction. Exhibitor fails to pay will not be allowed to construct.

### Plans & design proposals

1. Booth plans and design proposals must be submitted in triplicate to reach Guangzhou Zhuangzhan Exhibition Service Co., Ltd. for approval not later than **25 Jan 2019**. Drawings submitted must be to a reasonable scale of not less than 1: 100, fully dimensioned and must contain information such as floor plan, stand elevation, fittings, colors and materials to be used, moving exhibits, audio-visual equipment, weights and point loading of exhibits.
2. If drawings are not submitted before the deadline, custom design will not be allowed and a standard booth will be built by the Contractor that Organiser appointed.
3. Electrical installation plan must also be submitted in triplicate.
4. Please note: If no construction work takes place after **3:00pm on 9 March 2019**, a standard booth will be built at the expenses of the exhibitor.

### Approval of design proposals

The Organiser may require amendments or variations to be made to the design plan or proposals before approval, or may withhold approval at its discretion.

No custom-built booth shall be permitted at the exhibition unless the Organiser has approved the plan and design proposals in writing.

Special design booth exhibitors must ensure that they and their contractors are fully aware of the following points when preparing design proposals. Failure to observe these rules may result in costly on site alterations required by the Organiser and / or the exhibition hall at the exhibitor's expense:

1. Site measurements are given in metric measurements. Exhibitors, upon arrival and before commencing construction work, are required to check if the site is set out as per the floor plan issued by the Organiser, and to report any errors to the Organiser immediately. The Organiser will not be liable for any errors that are not reported before construction begins.
2. No part of any structure may extend beyond the boundaries of the site allocated. This includes spotlights and exhibitor's name or logo. No stand decoration, stand fittings or exhibit shall exceed **2.5m** in height for the standard booth. ( Raw space height limit is **4.5m**)
3. Guidelines for constructing double-floor booth: the constructing of this kind of booths can only be allowed after declaring to the Fire Fighting Bureaus, further more, the net area of the booth should be at least 100m<sup>2</sup>, and not be adhere to other booths. The total height cannot over 6 meters; the second floor can only be used as the bargaining room, and it's area can only be 30% of the first floor at most. Pls contact our official contractor for detail instruction.

## Important Notes for Raw Space Exhibitors

---

5. No suspensions are to be made from the ceiling of the exhibition hall, nor may any fixing be made to the floor, walls Or any other parts of the building.
6. The name and booth number of the exhibitors must be prominently displayed and faced to the aisle. The Organiser reserves the right to affix them as they see fit and to charge the cost incurred to the exhibitor.
7. All surfaces of booth construction exposed to the public view shall be decorated to a finish approved by the Organiser (inclusive of backside panels / parts of booth adjoining other booths or aisles).
8. Paint spraying, welding and the use of electrical saws are strictly prohibited inside the exhibition hall.
8. Exhibitors must provide approved protection between carpet and any raised platform. All materials used in the construction and decoration of exhibition stands or set-ups must be flame-retardant and be subject to inspection by the Exhibition Venue and / or the Organiser. They should also conform to the rules and regulations of the Exhibition Venue and those of any public authority or department of the Chinese Government.
9. The transporting, assembling, dismantling and the removing of stands of raw space exhibitors are the responsibility of the exhibitor themselves. All such work must be carried out according to arrangements and within the time limits specified by the Organiser.
10. Exhibitors are responsible for insurance, which indemnifies the Organiser from all claims caused by on site operatives working directly or indirectly for the exhibitors.
11. Construction waste and surplus materials must be cleared from the exhibition site by the exhibitor.

### Electricity

1. Only electricity can be used as a source of light or power in the Exhibition Venue.
2. The Organiser's Appointed Contractor must carry out all electrical works at the exhibitors' expense. Design plans or proposals for electrical installations must be submitted to Guangzhou Zhuangzhan Exhibition Service Co., Ltd. for approval together with the booth design proposal. Electricity can be supplied in 380V / 220V / 50Hz (+/-6%), three phase. Electric current of a higher voltage three phases will be supplied subject to prior arrangement with official contractor. **No multi-plug or adapter is permitted.**
3. Electricity supply, its final connection and safety inspection of circuit will be carried out by the Organiser's Appointed Contractor. Inspection can only be performed when construction works at the exhibition booth and installation of all electrical items are completed.
4. All electrical fittings and wiring must be installed in compliance with the electricity regulation of the exhibition hall. Switches and all electricity distribution panel must be installed within booth area as contracted.

## Registration & Sales Promotion

---

### Exhibitor Badges

Each exhibitor is entitled 5 badges for every 9sqm exhibition size.

Exhibitor Badges will be provided to Exhibitors at the exhibitor registration counter during move-in period.  
(please see Form 09)

All exhibitors must wear exhibitor badge inside the exhibition hall. Staff will ask anybody, who cannot show the badge, to leave the hall.

### Visitors

Free admission for trade visitors.

Person under 18 will not be permitted to enter the exhibition hall. Please remind your buyers not to bring children or anybody under 18 years old.

Online visitor pre-registration is now available until 2 March 2019 at [www.messefrankfurt.com.hk/services/vor/index.aspx](http://www.messefrankfurt.com.hk/services/vor/index.aspx) and choose "asiamold 2019" after selecting language. After this period, please bring your business card to our counter at the exhibition for on site registration

All visitors must wear visitor badge inside the exhibition hall. Staff will ask anybody, who cannot show the badge, to leave the hall.

### Fair Catalogue

The fair catalogue will be sold at RMB50 to trade visitors only upon request at the visitor registration counter. It is subject to availability.

Each exhibitor is entitled to 1 catalogue entry listing.

### Visitor Invitation Card

For your mailings of advertising campaigns before the fair, the organiser will provide you with visitor invitation cards upon request.

To ensure a quiet environment for business discussions in the exhibition halls, the organisers will implement the following rules and regulations related to onsite sound control and would appreciate to have your kind compliance and cooperation on this matter:

General Rules and Regulations:

1. The maximum noise level allowed at booth for instrument / product testing is 75 db
2. If the noise level exceeds 75 db without the prior approval from the organiser, the exhibitor will receive a verbal warning and will be requested to lower the volume.
3. If the exhibitor did not comply after the verbal warning, the organisers will issue an official written warning.
4. If the exhibitor did not comply after receiving the written warning, the organisers will cut the electricity supply to the exhibitor's stand for 2 hours as penalty.
